PROFESSIONAL SUMMARY

I am a Python Developer currently undergoing professional training at Tops Technologies. I have a Bachelor's degree in Computer Applications (BCA) from JG College of Computer Applications. I have hands-on knowledge of Python programming, DBMS, and basic web development concepts. I am passionate about learning new technologies, improving my coding skills, and applying my knowledge to real-world projects. I am seeking an opportunity to start my career as a Python Developer

EDUCATION

Python backend
Tops Technologies

Bachelor of Computer Application (BCA)
J.G College Of Computer Application April 2025

PROJECT SUMMARY

Code Sphere - QR code Generator

Code Sphere - QR Code Generator is a web-based application that allows users to generate QR codes for URLs, Images, Videos, and PDF files. This project is built using the Django framework and uses Ngrok to provide public internet access to a locally hosted server, enabling anyone to scan the QR code and access the content from any device, such as a mobile phone or laptop
